The Bankrupt Act.

We have been requested to publish the Bankrupt Law. This is impossible. It makes a respectable volume. In order, however, that our readers may understand it, and may therefore not be liable to be imposed upon by parties, who are indifferent to the interests of others, we have taken some pains to compile from several sources the following general principles of the Act, for the benefit of all who contemplate seeking its benefits. But first of all, we advise our friends not to determine hastily what they will do, until they have had the counsel of a respectable and intelligent Attorney, upon whom they can rely.

1. The manifest design of the Bankrupt Law is to benefit honest, but unfortunate, debtors, whose just liabilities are greater than they can pay.

2. To become a voluntary bankrupt under this Act, the debtor must owe at least $300, which, of course, he is not able to pay in full.

3. Petitioners under the Bankrupt Act are required to render a schedule of all their debts and liabilities, *of every kind and description whatever*—as also an inventory of all their estate, both real and personal, including all property and effects of which they are possessed, or in which they may have an interest, (though not in possession) in conformity with certain "Forms" prescribed in the "General Orders," of the Supreme Court of the United States. These schedules, verified by the oath of the petitioner before a District Court Judge, Register in Bankruptcy, or U S Commissioner, must accompany the petition and, when filed, is the commencement of proceedings in Bankruptcy. If it should be found out, pending the proceedings at any time before the bankrupt is discharged, that he has, by any shift or subterfuge, made a false or partial schedule, this would be evidence of fraud and would defeat his discharge.

4. When the petition is by a firm or copartnership, a full set of schedules of the respective estates of the members of the firm should also be added.

5. When the petition is filed, the case is immediately referred to a Register, who examines the petition and schedules annexed thereto, and if they are correct in form, makes a certificate to that effect, to be filed with the Clerk, then adjudges the debtor a Bankrupt and issues a warrant to the messenger to summon all the creditors named in the petitioner's schedules to meet at the Register's office, at a certain time and place, to prove their claims and elect one or more Assignees to take charge of the Bankrupt's estate.

6. A creditor can, however, prove his claim at any time previous to the last dividend, which will generally be six months subsequent to the adjudication of Bankruptcy.

7. No creditor has any standing in a Bankrupt Court until he proves his claim.

8. Creditors have no right to compel the Bankrupt to answer questions concerning the disposal of property by him acquired subsequent to filing a petition in Bankruptcy. "In other words, the date of the filing of the petition by or against a debtor, is the date at which, if adjudication of bankruptcy follows, the old order of things passes away and a new leaf is turned over." On this point decisions have been variant. The safe rule appears to be, that the applicant in Bankruptcy has a perfect right to claim whatever he has made after his application, by his personal exertions, but any profits he may have made, from investment or credit, may be liable to the claim of the receiver up to almost the period of his discharge.

9. The Bankrupt can apply to the Court at any time after the expiration of six months, and within one year from the adjudication, for the discharge in Bankruptcy, and in case no assets come into the hands of the assignee, or no debts be proved against his estate, at any time after the expiration of sixty days.

10 As soon as an Assignee is elected or appointed, the Judge or Register will convey to him, by deed of assignment, all the bankrupt's property except what is exempted, viz: "Household and kitchen furniture and other necessaries not exceeding in value ($500) five hundred dollars; also his wearing apparel and that of his wife and children, and such other property not included in the foregoing as is exempt from levy and sale upon execution or other process, by the laws of the State in which the bankrupt resides, to an amount not exceeding that allowed by State exemption laws in force in 1864. A safe Counsellor suggests, under this head, that the common impression that persons may become bankrupts and yet be allowed to retain their houses and lands, or other property of considerable value, is a great mistake. Under the Act, no honest Bankrupt in this State can have allotted to him, free from the operation of the Act, exceeding $700, besides the wearing apparel of himself and family. Bankrupts in this State are not entitled to homesteads under this Act.

11 It is the duty of the assignee, within twenty days after the assignment to him is made, to allot to the bankrupt such articles as are exempted, and file an inventory of the same with the value of each article so allotted, and creditors may make objections to the report of the Assignee at any time within twenty days after it is filed.

12. As to costs in bankruptcy proceedings, section 40 of the Bankrupt Act provides that the petitioner, before a warrant issues, shall deposit fifty dollars with the Register, or with the Clerk, to be delivered to the Register as a security for his fees. General order XXIX provides that the fees of the Register, Marshal and Clerk shall be prepaid or secured before they can be compelled to act. It is also provided by General order XXX that where the debtor has no means, and can prove the fact to the satisfaction of the Court, upon application, an order will be made requiring all the costs in the case to be paid out of the fifty dollars deposited with the Register. If, however, there are assets, but not enough to pay the Messenger after deducting the Bankrupt's exempted property, so that nothing comes into the hands of the Assignee, the fees will have to be paid by the Bankrupt; but if the Assignee receives assets, the fees of the Messenger will be paid by him before any dividend is made among creditors

13 Some suppose that the Register is entitled to $50 fee. The fees of the Register, Messenger, Clerk, and costs of publication of notices in Bankruptcy, are fixed by law, and if they demand higher fees, they are liable, as in other cases of malfeasance in office. In ordinary cases of Bankruptcy, the fees may amount to $100. In some cases more, in some less—the costs depending on the amount of labor and litigation involved in each case.

14. Differences of opinion among Attorneys have existed in this State, as to the limit which the Act makes, as to the time to make application in Bankruptcy. Some have supposed that no debtor will be permitted to apply for Bankruptcy after some early day in March, unless he is able to pay fifty per cent of his debts. We are assured that this is not the case. The law did not go into operation for the purposes for which it was enacted until June 1st, 1867. It gives twelve months from that time, to all honest debtors, whatever may be the extent of their indebtedness which they cannot pay, in which to present their applications. After the 1st of June next, every debtor must be able to pay fifty per cent of his indebtedness, in order to a successful application in bankruptcy, unless he first obtain the consent of a majority of his creditors.

THOUGHTS FOR THE PEOPLE.

(No. 6.)

THE JUDICIARY ARTICLE!

RADICAL INNOVATIONS!

It may be said, without fear of contradiction from any responsible source, that in no State of the Union has public justice been so well, so certainly, and so economically administered as in North Carolina.—Our Judiciary system has operated so satisfactorily to all classes of our people, that no person, much less any political party, has ever assailed it. The dignity, the virtue and learning of our Judges have always been above reproach; indeed, these distinguishing characteristics have been so prominent as to elicit the most honorable and complimentary commendations at home and abroad. No one ever before complained of our Courts or our Judges.

The theory of our Judiciary system has been growing and maturing for centuries, and the wisdom, learning and experience of the greatest and purest legal minds that ever graced the world have contributed to its completion, and have sanctioned it as the best adapted to the just and economical administration of public justice.

The particular system of judicature in this State has been growing and maturing for more than a hundred years, at a cost of study and money incalculable. It would be impossible to estimate what it has cost to settle the tens of thousands of questions of law that have arisen under our system, from time to time, and that must necessarily arise under any system.

A good judicial system, we say, is the work, not of a day, nor a week, nor a year; it is the work of centuries; it is not the workmanship of one man or a set of men, —it is that of the wisest, greatest and best men of different ages, all contributing something. It takes a long time, and a vast expense of study and money, to settle *any* system, and, whenever established, it should not be abandoned except for the most weighty causes. To do so, is to keep public justice in a constant state of uncertainty, and to give rise to endless litigation and expense.

Our people of all classes have tried and approved our system; they understand it; it secures their rights, meets their wants and extends to every man exact justice.

Why, then, are we called upon to reject our well tried and established system? To what end are we invited to adopt the new and untried system embraced in the proposed new Constitution? The proposed new system overturns absolutely the vitality of the old system; it destroys the old distinctions in pleadings and rules of practice, and many of the principles of law heretofore settled at immense expense, as above described, and leaves the whole matter of jurisprudence and the administration of right at sea, without a compass. The proposed system is new and untried, and it will cost millions of dollars to settle it; indeed, it cannot be settled in this generation, and, more than this, the judgment of the greatest Judges in the world is that it can never operate like our present system. Ten thousand questions of law, that no one can publicly foresee, will arise at once, that will lead to endless litigation, uncertainty and cost.

Under the proposed Constitution, a new system, entirely, of *rules of practice*, and a new *code of laws*, are to be established by three men, at the cost of six hundred dollars per month, and these men are to sit and make rules for Courts and new laws, at this price, for an indefinite time.

The Supreme Court is to consist of five Judges, instead of three, as now. There is no occasion for the two additional Judges, except to fix up two more places for *political* favorites, who will thereby draw from the Treasury of the State $6,000 or $7,000 a year! The present Judges do all the work and are not engaged over a third of the year.

The number of Superior Court Judges is increased from eight to *twelve*. This makes *four more* high offices for political pets, at a cost of from $12,000 to $15,000 a year.—This involves four *more Solicitorships*, lucrative places for politicians.

The Constitution provides for the new office of *Attorney General* of the State, at a cost of $3,000 or $4,000 a year. What is he for? The State has done without this officer from its foundation. It, too, is for a *political favorite.*

This new system provides that each Judge shall reside in and ride his own circuit—thus causing that he shall become familiarized with every case on the circuit and exposing him to temptations of bribery and corruption.

It abolishes the *County Courts*,—the PEOPLE'S COURTS,—that have operated so well for the convenience of the people; and turns most of the business of that court over to the *Clerk* of the Superior Court.

Such a system of offices and confusion never was set up before. All the lawyers in Christendom cannot understand it; the makers of it themselves can't tell all it means and how it is to operate; it is "confusion worse confounded."

Then this new system provides that the Judges of the Courts shall be elected by the voting population of the State. Our people have always been averse to this; they have refused to adopt the system when the voting population *was white and intelligent.* This is, above all other times, the worst to adopt this method of electing Judges. *Seventy thousand negroes* are to vote; they don't know how to vote, except as they are told, and we see, by the light of sad experience, that they are mere tools in the hands of the meanest white men in the land. They have learned, in a few months, to vote solidly against decency and the white man.

See what this system will lead to: If the Radical ticket succeeds, with a *few* exceptions, (and they were placed on the ticket as a pure matter of policy,) what a bench of Judges we will have? One half of the candidates of the Radicals, for Superior Court Judges, are *utterly incapable, notoriously* so; they don't know any law, and they never will, for the lack of capacity to learn it. With such men on the bench, what safety will there be for right, or property, or life? What citizen can tell when he is to have the laws of his country administered? It will be a solemn mockery of Courts and law to place such men on the bench, but they will certainly go there, if the negro vote will take them there. LET WHITE MEN CONSIDER OF THIS!

These Radical and ruinous changes are the offspring of the vanity and ignorance of some Yankee upstarts in the Convention. *They* ruled it, and introduced these innovations, without knowing or caring a fig about the consequences to our people. They want to be able to say, that *they* introduced what they call *reforms* in Constitution-making. These changes were not required by the legislation of Congress. On the contrary, twenty or thirty of the prominent and most Radical members of Congress wrote to leading members of the late so-called Convention, *urging them* to make just as few changes in our State Constitution as possible,—only to secure negro suffrage, and then to go home. They told these upstarts, that the consequences would be, that the people, of all parties, would repudiate their work, if they undertook to press upon the people strange innovations!

Will the people submit to these outrageous and disastrous innovations? If they do, certain, inevitable ruin will be the consequence. Let every man take up the Constitution and read it, and see if all that is here said of its demerits is not warranted. *Every one* will be forced to say, that much more might be said against it. *Then go to the polls* AND VOTE IT DOWN! Let every white man in the State bestir himself, for all our hopes of a just, enlightened, impartial dispensation of law, of right, and of justice,—all our hopes for the future—are at stake!

POLITICS IN JOHNSTON.

We learn that the present week (being that of Johnston Superior Court,) has been one of considerable political excitement in that county. On Tuesday, the candidates for Congress spoke, and Mr. Williams, the Conservative candidate, is said to have worn Deweese, of Illinois, to a perfect frazzle. Poor Johnny McDonald has given up the ghost and retires from the field. This will help Mr. Williams. McDonald, for county reasons, which always operate in elections, might possibly have gotten a few votes in Chatham, which will never be cast for Deweese. Johnny retires, not without a memento of the popular affection. We learn that he was presented with a big *ginger-cake* in Smithfield.

Deweese is said to be particularly odious in Johnston. The white men of that county are rapidly becoming a unit, and will speak in tones of thunder next month. We predict perhaps the greatest revolution of the campaign in Johnston.

NEGRO LEGISLATORS.

Six Counties in the East have already nominated *eleven* negroes for the Legislature, under the Mongrel Constitution. At this rate, the Legislature, if called, and if the Radicals are successful, will be composed largely of negroes. In that event, the TAXATION of white men and their porperty, and the degrading measures of EQUALITY, contemplated by the proposed Constitution, will be carried into effect with a *sim*. Here is the list, thus far:

	SENATE.	HOUSE.
Halifax,	1	2
Granville,		2
Franklin,		1
Wake,		1
New Hanover,	1	2
Craven,		1
	2	9

CEBURN L. HARRIS,—for short, C. L. Harris,—whose scanty information extends to the simple matters of common life, is the Radical candidate for the highly important office of Superintendent of Public Works! The Conservatives have placed on their ticket, for that high position, Gen. S. F. Patterson, of Caldwell, one of the most intelligent, experienced and high-toned gentlemen in the State.

We learn that Gov. Vance handled Ceburn, at Rutherfordton, with gloves off. It is said that his sketch of Ceburn, as he would appear in the ranks, drilled and mustered by a negro officer, (the Gov. going through the drill and evolutions *a la militaire,*) was inimitable. The crowd was convulsed with laughter and the applause was tremendous. Ceburn has supposed, heretofore, that he had Rutherford in his breeches pocket, but his spell is broken, and old Rutherford will wheel into line, overwhelmingly, against the new Constitution.

COL. HALL IN THE EAST!

A telegram to the "Sentinel," received on yesterday, announces that "everything in Lenoir, Jones and Craven is all right. Carteret will be all right. Col. Hall spoke there, on yesterday, to over six hundred persons. Great enthusiasm."

Col. Hall is doing his duty most manfully and effectively, and will know no cessation of his gallant labors until victory crowns our efforts on the 23rd. of April.

THE GREAT and paramount issue is: SHALL NEGROES or WHITE MEN RULE NORTH CAROLINA? All other issues are secondary and subordinate, and should be kept so.

THE VOTE upon the new Constitution will be taken the 21st., 22nd. and 23d. of April. Be sure and VOTE AGAINST IT.

The SUCCESS of the white men of North Carolina, on the 21st. of April, is a CERTAINTY, if they will all VOTE, as we believe they will.

TO THE WHITE MEN OF NORTH CAROLINA.

FELLOW-CITIZENS:—Never before since the establishment of free government on the American Continent have issues so vitally important been submitted to you as those which now await your decision. The question is simply, whether the free white men of the State shall live or die, politically; whether Constitutional Government and Republican Institutions, under which we have heretofore enjoyed "life, liberty and the pursuit of happiness," shall continue to have a name and a place among men, or whether we shall topple it all into the dust and rush into the arms of anarchy; to be swallowed up by the waves of a *black*-mad democracy, which is threatening everything that is good, great, and venerable.

Before you decide, fellow-citizens, permit me to reason with you for a few moments.

The Convention recently convened at Raleigh, by Military authority, without the sanction of *law*, under the auspices of strangers and non-residents, negroes and the bayonet, have framed a Constitution and adopted sundry ordinances, which are to become the organic law of North Carolina, if ratified by you at the polls. Let us examine into its provisions, (I shall speak of the Constitution and Ordinances indifferently,) and see if they are such as you should ratify.

It has overturned almost entirely the constitution of *our fathers*. Scarcely a vestige of that instrument remains. It has abolished at one blow nearly every essential element in a good and stable government, and swept away every distinction, every check founded on race or color, education or intelligence, property or personal merit.

It has abolished taxation as a basis of representation in the State.

It has changed radically our entire judicial system, abolished our county courts, created four new Judges, and provided that all of them shall be elected by the people for short terms.

It has created a large number of new offices and gives the filling of them all to popular vote.

It gives the negro the right to vote and hold all offices in the government.

It gives the negro the right to sit on juries.

It gives them equal rights with the whites in all places of public resort, on all public conveyances, in all hotels, &c.

It places him in the ranks, side by side, with the white man in the militia.

It authorizes the intermarriage of whites and blacks.

It provides that all schools maintained in whole or in part at State expense, shall be open to blacks and whites alike.

It compels the poor white children of the State to attend the same school with negroes, and thus inaugurates social negro equality.

By abolishing the tax upon polls, it places the entire property of the people in the hands of those who pay no taxes.

In fine, so far as human laws can effect it, they have made the negro not only the equal of the white man in all respects, but, upon the adoption, he will be decidedly his superior; for a large class of our most intelligent and virtuous citizens will, by it, be forever disabled from holding office, while everything is open to him.

Passing over for the present the other changes, let us examine those relating to the negro, briefly.

Is the negro qualified to vote and hold office?

If, as all mankind have, until within the last two years, universally allowed, the fitness to do this depends upon intelligence and virtue, certainly he is not and never will become so, as a class. His race, though in close contact with white civilization for four thousand years, have been barbarians, where they were not slaves, and have never emerged from barbarism, except as slaves. Wherever this bondage has been removed, as a general rule, they have relapsed into barbarism. Never, under any circumstances, have they shown capacity to form or maintain any kind of government except the rudest despotism. Why then should American freemen surrender into their savage and ignorant hands the destiny of our great Republic? Surely *we* cannot be benefitted thereby; will it benefit the *negro*? On the contrary will not the infusion of this vast mass of ignorance and corruption into our popular elections, tend to the ruin of us all, a war of races and the final extermination of the blacks? Hear what their own candidate for the office of Governor, W. W. Holden, says of this:

"And this is an Abolition measure designed to benefit the black race! *It will extinguish that race in less than ten years.*—Emancipation once offered, a struggle would commence between the two races for the mastery. Every one knows how that struggle would terminate. Four millions of blacks would soon be reduced to a mere handful; they would be slaughtered by the whites, *until every hill and valley in the South would be stained with their blood, &c.*"

If Emancipation alone would lead to this, how much sooner will this attempt at negro equality do it?

The proposed intermarriage of the races is so shocking that I need not dwell upon it further than to say, that it will *surely* follow the adoption of this negroized Constitution.

Do you desire to arm the *negro* and give him a place in and command of the militia? And yet this constitution provides that any man may be an officer, and all men *shall* be mustered in the ranks, under penalties.—See the effect of it: In quite a number of our Counties the negroes have the majority and will *elect all the officers*; in most of the others, all white men who are able will pay the penalty and *refuse* to muster, leaving the poor white men who cannot pay, also in a minority, to be ruled by the brutal and insulting insolence of the negro! Behold, you white men of North Carolina, the trap that is set for you! When the war was raging fiercest, the United States did not dare to place negroes side by side in the same regiments with the whites. *Northern* pride would not stand it; are you so mean spirited as to *desire* it as a matter of choice?

But one of the most dangerous of these privileges conferred on the negro is that of sitting in the jury box and deciding upon the rights of white citizens. Not only all the intricate rights of property, but the liberties, franchises and *lives* of our people are to be thus placed in the hands of the ignorant and easily corrupted negro! Surely, if among all our sacred rights of citizenship, there is one which demands all the integrity and intelligence of the land to guard it, it is the jury box! If it is thrown wide open to ignorance and vice, what will become of justice and good government?—Then add negro Judges, negro witnesses and negro lawyers, and the white man's ruin is complete.

Under its provisions, also, *poor white children may be bound to black masters!* A fair evidence of their intent in this respect is that the framers of this Constitution refused directly to provide that this should *not* be done! Think, my friends, when you are about to vote, that you are setting up a Constitution under which your neighbor's orphan children or your own may some day *be stalked by a negro master,* and reared as a *menial in a negro family!* Shame, eternal shame, upon the white men of North Carolina, if they ever permit it!

But the masterpiece of these men who are laboring for negro equality is to be found in their provision for our public schools, both of high and low grade. A heavy tax is to be laid for school purposes, of which the negro pays next to nothing, *and negroes and whites are to be educated together.* Nay, more; all who cannot afford to educate their children elsewhere, are to be *forced* by law to send them to these schools with the negroes, and propositions to have separate schools for each color were indignantly voted down, *though the whites pay for both.* Here is the key to their infernal scheme. Nothing but the most depraved nature and the lust of office could induce grown men to accept the negro as their equal. But children can be educated to anything. With the hellish cunning of the Jesuit, they desire to poison the minds of our little ones. See how it works.—They force them to go to school together, thus bringing them into the closest intimacy. The rich soil of their tender minds rapidly imbibes the impressions which surround them. They are taught that they are no better than their black companions. They sit upon the same benches, eat together, play together and study together. They soon take in all the base and lowly instincts of the African; and after thus growing up and being educated together, a negro boy proposes marriage to your daughter, his white school mate. Do you flatter yourself that it will be rejected with scorn and loathing? Far from it.

If you, my white brother, did your duty to God and your child, by keeping it away from this corrupting influence, it would be so. But your child would reason on it in this way: "My father believes in negro equality; he voted to overthrow our old Constitution and put up a new one, which says this negro boy is as good as I am. He sits in the jury box with negroes, eats at the same table with them, drills under one in the militia, votes with and for them at the ballot-box, and sends me to school with them; all as a matter of choice. My father knows what is right and best, and would not do this if this negro were not my equal, and I will marry him." And so it comes about. You surrender your little daughter, the pride of your eyes and the light of your house, *into the embraces of a barbarous negro*! And you, North Carolinians, whose veins are rich with the glorious blood which aforetime crossed the sea, drove back the red savage, cut down the wilderness and made it bloom like the garden of the Lord, and through much suffering and hardship and shedding of blood, founded a great free, *white* Republic, whose glory and civilization are the wonder of the ages; you are content to defile this noble blood, and see your homes in your old age turned into dens of *mulattoes*, filled with the callow brood of the Congoite, whose great-grandfather devoured human flesh! Merciful God! Now every man who is able to do so will save his children from this degradation by sending them to a private school. But the poor man—and we are nearly all poor now—will be forced by poverty and *this law* to submit to it. Do not think this an overdrawn picture. *These things must be so,* if you ratify this Constitution. You cannot expect to make the negro your equal in all other things and refuse it to him in this one. Children will marry with those whom you make their associates.

Poor white men of North Carolina, working men, we appeal to you to save your children! They are your jewels, your only riches. They are likewise the genuine riches of the State. *Save them,* if you would save yourself and your country, or you may exclaim as did David, "Oh Absalom, my son, my son! Would to God I had died for thee." Only, as that was the sorrow of an innocent father over a guilty child, who shall depict the anguish of a *guilty parent* over a ruined but *innocent child!* "Is thy servant a dog, that he should do this thing?"

Mothers of North Carolina, we appeal to you, to help us save the rights and dignity of your little boys, the purity of your daughters, and the good names of your firesides! You will be the principal sufferers by this great degradation. Reason with your husbands and your sons, and aid us to put this accursed thing from you. As a general thing it does not become you to interfere actively in politics, but where you and your children are sought to *be polluted* by negro association, your full weight should be extended to prevent it. If bad white men appeal to the brutal negro, surely good men may appeal to the noble women of the land. Let them dare to say that negro men are better qualified to govern the country than white women.

But six Northern States permit negroes the unlimited right to vote. All the rest have very recently refused it by overwhelming majorities. In none of them are they permitted social equality; in none of them, nor in any civilized land on earth, are the white and black children forced to go to school together!

It abolishes, also, our ancient rule, that representation in the Senate of our Legislature shall be based upon taxation; so that, if adopted, both houses will be based upon numbers alone. Property will then have no protection whatever. The land holders and tax payers of all kinds would do well to remember this. *All taxes by this new Constitution will be imposed by the negro and paid by the white man!*

This constitution was made by a Convention called by military authority in violation of law, and in the election for members to which 30,000 white men were not permitted to vote. The same men are excluded from voting on its ratification; and yet, after enfranchising 70,000 negroes, the whites have a majority of 32,000. The white men have it in their power to vote down this constitution, and save themselves from ruin, IF THEY WILL IT. Why should you not do it? Oh, my countrymen, stand up for your rights AND VOTE IT DOWN! Do not permit its advocates to scare you by threats. *They can do nothing worse to you than the adoption of this Constitution!*—Malice itself could devise no more complete scheme for your ruin and degradation. Thousands of your best citizens, who are able to do so, will fly from a land of negro equality as from a pestilence; no immigration will flow into our borders; no capital will invest in a government where negro non tax payers can lay taxes on it at their pleasure; no railroads will be built, for nobody will buy our bonds; justice will become corrupt where the judge gets down in the dirt and begs for his office; and life, and property, and all the sacred interests of society, will become insecure. They trust only, for forcing this abomination of abominations on the people of North Carolina, to the drilled and officered negro vote, and to the help of as many white men as they can scare into it by threats and persuade into it by appeals to their passions and prejudices. Unfortunately, much bad blood was excited during the war, which now prevents harmony.—Many Union men conceived such a bitter dislike to democracy and secession, that it is hoped and believed by the Radical managers that they will vote for anything which their old adversaries will oppose, without looking at the consequences. The writer never was either a democrat or a secessionist, and cannot believe that any number of the good people of North Carolina will deliberately degrade themselves and their children forever, merely because they dislike their old political enemies. Pause and think, my countrymen, before you do it. Do you dislike democracy? Behold, they offer you for Governor the father of secession in North Carolina, and its consistent advocate for twenty years. Did you dislike the war? Behold, they offer you for Governor the man who said the "whole safety of the South was confined in five letters—F I G H T;" who called on our authorities to raise the whole male population, and said, "put them in the militia if they won't volunteer; *drill them until their legs get limber; blow the fife, beat the drum,* and rouse their latent courage if they have any;" and called upon the cowardly assassin "TO PLOT FOR THE HEAD OF ABE LINCOLN." Do you favor negro suffrage? Behold they offer you the man who said that the negro's "true condition" was one of "slavery," and that it was a good rule in their management TO CLOTHE WELL, FEED WELL, AND WHIP WELL; and who prophesied that their liberation would produce a war of races, "THAT THE HILLS AND VALLEYS OF THE SOUTH WOULD BE STAINED WITH THEIR BLOOD," and they would finally be exterminated. Are any of you sore because you or your friends were forced to return to the army, having left it without permission? Behold they offer you the man who praised Gov. Vance's proclamation in regard to desertion, and said: "In issuing these proclamations the Governor has at heart the good of the service and the honor of our soldiers. *He can be actuated by no other feeling.* IT IS A GREAT CRIME IN A SOLDIER TO DESERT HIS COLORS. The deserter acts unjustly towards his comrades. He is no better than they, and he is as much bound to serve and endure as they are," &c. And with him they offer you as a candidate for Judge of the Supreme Court, a man who sat upon a military court in Lee's army, and sentenced deserters to be shot, by the hundred.

Such is negro suffrage and its legitimate consequences. Such are the men who advocate it.

White men of North Carolina, choose ye this day whom ye will serve!

Mass Meetings.

The State Executive Committee recommend the holding of Conservative Mass Meetings at the following times and places:

It will be seen that the meetings are crowded, for the reason that these gentlemen can remain in the State but a few days.

Our friends in these places are requested to make the necessary arrangements for holding these meetings and further publication, &c. Popular speakers in this State are also expected to be present. Rally Conservatives!

WAKE COUNTY EXECUTIVE COMMITTEE.

The Wake County Conservative Executive Committee are requested to meet in this city, on Monday next, (30th. inst.,) being the Monday of Wake Superior Court, for the transaction of highly important business.

The following gentlemen compose the Committee, viz: H O Parker, Chairman; Jeptha Horton, J L Separks, Peter Fleming, Alvis Sorrell, J P H Russ, R C Badger, M A Bledsoe, G H Alford, Berry Bagwell, Ruffin Holder, Reuben Fleming, J B Neathery, G H Fairbault, N J Whitaker, Wm Laws and J J L McCullers.

SAMUEL T. WILLIAMS, Esq.—This gentleman, the Conservative nominee for Congress in this District, will address the citizens of Franklin, in Louisburg, on Tuesday of April Court.

EXCITEMENT.—We learn that there was a difficulty on Fayetteville Street, on Tuesday afternoon, between a U. S. soldier, on duty, and a negro. The soldier was one of the sentinels posted, very prudently, in the city, to assist in the preservation of order. We have not accurately learned the particulars, but have heard that the negro was insolent to the sentinel, and disposed to resist his orders given in the way of duty, when the soldier either raised his piece at him, or pushed him with the bayonet, and the negro was taken with a leaving. Some of the negroes of the city are said to be much exasperated with the sentinel, on account of the occurrence, and are making efforts—which we presume, of course, will prove futile,—to have him arrested and court-martialed.

LITTLEFIELD AND TOURGEE (the X P G being *hoarse* and absent) vexed the ears of a Wilmington audience of negroes on Monday night.

ORANGE.—We learn that the Conservatives in this county have nominated the following strong ticket for the Legislature.—It will sweep the field.

Senate—Hon. Josiah Turner, Jr.
House—Dr. Jno. Allison, T. M. Argo, Esq.

THE STATESVILLE *American* announces a great Conservative Mass Meeting, at that place, on Monday and Tuesday, April 13th. and 14th., which will be addressed by Hon. Thos. S. Ashe, Hon. Josiah Turner, Hon. Z. B. Vance, Plato Durham, Esq., F. E. Shober, Esq., and others.

THE CONSERVATIVE Canvassers announce a series of appointments, embracing every corner of Wilson county. This is good.—The work goes bravely on.

THE RADICAL TICKET.

For Governor.—W. W. HOLDEN has a State reputation, such as no one ever had before, as to political consistency, truthfulness and integrity. The people have judged him twice, and will judge him again, without benefit of Clergy; and "may the Lord have mercy on his soul." We leave him alone in his glory.

It there is to be but one ballot-box, and the *whole Radical programme*, Constitution and all, is to be on the same sheet, as is now contemplated, *this mill-stone* will sink the whole concern forty fathoms below the resurrectionary grasp of the Keeper of the "Archives of Gravity." That is a very cunning device. Let it be tried.

For Lieut. Governor—TOD R. CALDWELL, the most peevish, malevolent, ill natured man in America.

For Secretary of State—H. J. MENNINGER, an unknown Yankee, who has squatted in Craven, industriously gathering up the spoils of a victory achieved by others.

For Treasurer—DAVID A. JENKINS, whose whole financial ability has been shown in the purchase and sale of slaves.

For Auditor—HENDERSON ADAMS. (See the letters heretofore published of our correspondent "Traveller.")

For Superintendent of Public Works—CEBURN L. HARRIS, a dull, heavy, malicious man, who is incapable of understanding anything higher than the best mode of keeping a public Hotel, and who has never succeeded, even at that.

For Superintendent of Public Instruction—SAMUEL S. ASHLEY, a whining Puritan from the region of Cape Cod, who calls old Brindle *Ke-ow*, and does many things which he "had'nt ought to."

For Attorney General—WM. M. COLEMAN. "Oh! breathe not his name; let it rest in the shade."

For Judges of the Supreme Court—R. M. PEARSON, E. G. READE, WM. B. RODMAN, THOS. SETTLE, and R. P. DICK. The first two are also on the Conservative ticket.—Of the three others, we would respectfully ask the gentlemen themselves, if *they feel* qualified to sit as the Supreme Judges of North Carolina? Has Mr. Rodman the moral courage required in a Judge of our highest Court? We happen to *know* that when he joined the Radical party, he was no more a Radical than ourselves—and only threw himself into the storm with the avowed design of controlling and restraining its wild fury.—It has ended, as such hazardous experiments always end, in making him about as wild as the craziest member of that mad "Convention." He is now an ultra Radical—and is obliged to exhibit even an extra zeal in the bad cause, to convince his associates of his sincerity.

Has Captain Settle the calm, well balanced intellect, which a Judgeship demands?—And above all, has he a knowledge of the law, which will save his seat on that illustrious bench from contempt and derision? Does he covet the mantle of Henderson, Taylor, Ruffin, Gaston and Daniel; and will he wear it well? Can he?

Mr. Dick is, we believe, an amiable and estimable gentleman in private life. He has made some eloquent and very beautiful speeches at young ladies' Colleges, and has composed some very creditable poems.—Pity that his ambition has spoiled him. Pity that he could not be content with his elegant literary leisure. He might well have asked to be the Superintendent of Public Instruction—or even to be Governor—but to be a Judge! and a *Supreme Judge!* Oh! tell it not! Mr. Dick is a modest man; and were he asked, confidentially, by a friend, whether he *deems himself* qualified for this great office, we know well enough what his blushing answer would be.

STILL THEY COME.—The Asheville *News* says that, during the past two weeks, it has received a number of letters from gentlemen giving their reasons for leaving the U. L. A. organization. The great burden of their complaints is the social equality attempted to be forced upon the children in the public schools, the attempt to place the militia under negro officers—which will be the case in many sections of the State—and the legalizing of amalgamation. We cannot insert the whole of the letters says the *News*, but give room for a portion of the names:

HOLDEN TO ASHE.

(HUDIBRASTICALLY RENDERED.)

[*To be spoken after th Election.*]

* * * * "The day's thine own;
Thou and thy stars have cast me down.
My laurels are transplanted now,
And flourish on thy conquering brow.
My loss of honor's great enough,
Thou need'st not brand it with a scoff.
Sarcasm may eclipse *thine own*,
But cannot blur my lost renown.
I have been beaten till I know
What wood the cudgel's of by the blow;
And kicked, until I can feel whether
A shoe be Spanish or neat's leather.
I am not now in Fortune's power—
He that is down can fall no lower."

HALIFAX.—There was a grand rally of the Conservatives of this County, on Saturday last. Glorious speeches were made by R. H. Smith and Edward Conigland, Esqrs. The following able legislative ticket was nominated:

Senate.—R. H. Smith.
House.—J. B. Kilpatrick, Edward Conigland and J. H. Whitaker.

NASH.—"Ol' Nash" is all right. W. W. Bodlie has been nominated for the Commons and Geo. N. Lewis for Sheriff. The white men of the County are fully awake and Nash will roll up a handsome majority against the Constitution. A correspondent, writing from that County, says:

"The nomination of Ashe for Governor has given general satisfaction, and that Scallawag who opposes him will find out how he is appreciated by the decent men of North Carolina on the day of election."

SHALL WHITE MEN BE ENROLLED in the MILITIA with NEGROES,—*perhaps under negro officers?* That is one of the issues.

From the Raleigh Standard, Feb. 10, 1864.

SOME PLAIN TALK.

We were a Union man up to Lincoln's proclamation. We have since been a war man and we are now in favor of fighting and negotiating at the same time for peace. At the beginning of the war, when volunteer companies were being equipped by private subscriptions, *we contributed to this object as freely and as much in proportion to our means as any citizen in the State.* OUR ONLY REGRET IS THAT WE WERE NOT ABLE TO GIVE MORE. We have uniformly submitted to the laws, advised others to submit to them, paid our taxes, and labored to secure the independence of the Confederate States. We have never refused to aid a soldier when he appeared to need it, or to aid the soldiers' families when called upon to do so.

* * * * * * *

We have never entertained a thought, nor breathed a word, nor printed a line, with the intention of injuring the Southern Cause.

THEN.

"WHO WILL PLOT FOR THE HEADS OF ABE LINCOLN AND GEN. SCOTT?"
—*W. W. Holden, June 5th, 1861.*

NOW.

"Our beloved State will once more put on the garments of prosperity; and our people will be contented and happy through the long ages reserved for the existence of the government which Washington established, and which LINCOLN labored and died to preserve!

Fraternally yours,
W. W. HOLDEN, President.
JAS. H. HARRIS, 1st Vice Pres.
A. H. JONES, 2nd Vice Pres.
B. W. HORNER, Sec'y."

(Closing sentence of the address to the U. L. A. in N. B. January, 31, 1868.)

The Democratic and Conservative National Congressional Committee have issued a circular in which they announce that at a meeting of the Democratic and Conservative Senators and Representatives in Congress, the following gentlemen were selected to constitute a Congressional Executive Committee: J. R. Doolittle and C. R. Buckalew, of the Senate, S. J. Randall, L. W. Ross, James Humphrey, Wm. H. Barnum, and L. S. Trimble, of the House of Representatives, with authority to add to their number three members from the District of Columbia. The committee subsequently met, and organized by the selection of J. R. Doolittle, as chairman, Samuel T. Randall, as secretary, and Wm. H. Barnum, as treasurer. The following gentlemen of the District of Columbia were also chosen to be additional members of the committee, to wit: Josiah D. Hoover, Charles Mason, and Gen. Thomas Ewing, Jr. The main purpose of the committee is the distribution of Congressional speeches and documents for popular information upon the issues of the day.

MR. CHASE'S AMBITION.—He said to a friend, on Saturday, in a general conversation, "I would rather go down to posterity as a pure and upright Judge than as President of the United States." He will be sorely tested in the approaching trial; and if he comes out a pure and upright Judge, some think his name will be handed down to posterity not only in this capacity, but also as the seventeenth occupant of the Presidential chair.

The Radicals are really disgusted and disappointed at the failure of their schemes for the reconstruction of the Southern States. Though they keep very quiet on the subject, each one insists that the amount of gas blown in by the other burst this gigantic bubble. It is criminations and recriminations among them. The Rads are ceasing to be the happy family of former days.—They acknowledge that it must be evident to every one that the plan, to say the least, was legislative error.—*Wash. letter in Balt. Gazette.*

NEW HANOVER AROUSED.—If every other county of the State is doing her duty as New Hanover is, the Bogus Constitution will be defeated by thirty thousand majority. Our County Executive Committee is composed of active, energetic men. They are doing their work thoroughly and systematically, and the result of the election here will show that their work has not been done in vain.

We hope the good example set by our County committee may be emulated by every similar body in the State. It is not enough simply to reject the Bogus Constitution—it must be rejected by an overwhelming majority.—*Wil. Star.*

CONSERVATIVES AT WORK.—We are pleased to find the Conservatives of nearly all the Western counties are at work faithfully—holding public meetings, and enlightening the minds of the people on the great issues of the day. Keep the ball moving, gentlemen. All the people want is honest light. There is no danger if the people see where the false lights are leading them to. In addition to those already announced by Col. J. R. Love, meetings will be held at Waynesville on the 21st, and Haysville and Murphy on the 28th.—*Asheville News.*

THE NEW BISHOP OF GEORGIA.—The consecration of Bishop Beckwith, the new Bishop of Georgia, will occur on Thursday, the 2d of April next. The Right Rev. Dr. Atkinson, Bishop of North Carolina, is to act as consecrator, assisted by the Bishops of South Carolina and Alabama. The sermon is to be preached by the Right Rev. Dr. Wilmer, Bishop of Alabama. Bishops of other dioceses are expected to be present, and large numbers of distinguished visitors from all sections.

The ceremonies will take place at Savannah.

A leading Radical politician in Georgetown, Brown county, Ohio, recently declared that, "although he did not think the negro would make a very good elector, yet *under the circumstances* he would grease him right well, pin his ears back, and swallow him."

Correspondence from Havana shows pretty conclusively that the African slave trade is still carried on, and that slaves are landed not unfrequently on the island of Cuba. Why do not the Anti Slavery Radicals turn their attention to this matter, which justly comes within their province, and stop trying to make slaves of us!

THE ELECTORAL VOTE.—The twenty-seven States represented in Congress will cast a total electoral vote of 246. If the ten States not represented in Congress should cast their electoral vote—a total of 70—the whole number will be 316, of which 159 will be a bare majority.

SHALL NEGRO GUARDIANS BE APPOINTED FOR WHITE WARDS? *That is one of the issues.* The so-called Convention voted down a prohibition of this possible outrage!

SHALL WHITE CHILDREN BE APPRENTICED TO NEGRO MASTERS?—*That is one of the issues.* The mongrel Convention refused to prohibit such a thing!

Greely says: "The army is probably divided in judgment whom it ought to obey."

CONGRESS.

WASHINGTON, March 25, P. M.

SENATE.—Senator Anthony offered a resolution, providing a seat on the floor for the Agent of the Associated Press, during impeachment.

Stewart introduced a bill creating a Provisional Government for Alabama. It declares "the Montgomery Constitution a fundamental law of the State, except wherein it conflicts with the Federal Constitution, and authorizes the State officers elected at the Convention election to qualify and discharge their duties, as provided in the Montgomery Constitution, on the first of May.

It provides for convening the Legislature and a re-submission of the Constitution, which a majority of the voters shall ratify.

The Legislature is required to ratify the fourteenth Article.

The District Commander to furnish all the aid necessary to enforce this Act.

The veto was read. The vote occurs to-morrow.

After Executive session, adjourned.

HOUSE.—The tax bill was resumed and discussed at great length. No features affecting Southern interests were reached.

The bill finally passed. It goes back to the Senate for concurrence.

VETO OF THE JUDICIARY MUZZLE.

WASHINGTON, March 25, P. M.

The reason which led the President to approve the first section is because it protects the right of property from erroneous decisions by inferior tribunals, and provides uniformity, by appeals to the Supreme Court.

The second section removes this protection, heretofore enjoyed in questions involving liberty and life.

He cannot assent to a measure, which proposes to deprive any person, restrained of his or her liberty, in violation of the Constitution or of any treaty or law of the United States, from the right of appeal to the highest Judicial authority known to our Government, to secure the blessings of liberty to ourselves and our posterity, as one of the objects of the Federal Constitution.

He objects strongly to the retroactive features of the second section, maintaining its inharmoniousness with the spirit and intent of the Constitution.

He speaks of the Supreme Court as combining wisdom and impartiality to a greater degree than any other authority known under the Constitution.

Any act, which may be construed into an attempt to prevent or evade its decisions, will be held, by a large portion of the people, as an admission of the unconstitutionality of the act in which its judgment may be forbidden or forestalled, and check the willing acquiescence so necessary to the harmonious execution of the law.

The President apologizes for brevity, which want of time compels.

The steamship "Alexandria," from Philadelphia, with a cargo of assorted merchandise for Richmond, was burnt at the wharf at City Point, this morning. The ship and cargo is a total loss.

A resolution was introduced in the Convention, appointing a Committee to inquire into the conduct of Judge Underwood, President of the body

The resolution embodies a letter from John Hawxhurst, Chairman of the Republican State Executive Committee, published in the papers this morning, in which he states that Underwood, in a conversation about raising means for the Republican party, had said to him, that if we favored Chase for the Presidency, Senator Sprague would give one hundred thousand dollars for the use of the party, and also that two men in the State would give one thousand dollars each for nominations to Congress.

The disfranchisement question was again up, and an amendment offered, disfranchising all who voted for secession candidates. It was strongly opposed by several leading Republicans, including one colored member.

They quoted private letters, received within a few days past, from Stevens, Sumner, Wilson, Washburne, Kelly of Pennsylvania, and other prominent Radicals, advising against any further disfranchisement than is contained in the Reconstruction act.

A PLAN OF ORGANIZATION.

STATE ORGANIZATION.

A State Committee, to consist of a Chairman and thirty members, six of whom shall reside in Raleigh, and three in each judicial district—to be appointed by the State Convention.

The Committee shall have power to maintain its organization, by filling vacancies, &c., and shall take charge of all matters relating to organization, registration, &c., and a proper canvass of the State.

DISTRICT ORGANIZATION.

The members of the State Committee in each judicial district shall constitute a district Committee for their respective districts and shall appoint a Chairman, and shall take charge of all matters relating to county organization, &c., in their respective districts; and shall report all matters relating thereto, to the Chairman of the State Committee.

COUNTY ORGANIZATION.

It is recommended that each County, by co[illegible] meetings or through the medium [illegible] white [illegible] organizations, appoint a County [illegible], to consist of at least two persons from each Captain's District within its same ju[illegible] County Committee shall take charge [illegible] whatever [illegible] of registration, local organi[illegible] white man, and in the County, and [illegible] re- Let it [illegible] reports to the [illegible] the District Committee, and [illegible] to inform him of such local matters as may require the attention of the District Committee.

It is further recommended that each County Committee cause to be enrolled the names of all the registered voters of their county, who are willing to act and vote with this organization—no man to be thus enrolled without his express consent, and, also, that they cause to be enrolled on a separate list the names of all those who are entitled to register, but who have not done so, and that they use every exertion to secure their registration and active co-operation.

Resolved, That the President of the Convention appoint five or more persons, in each County, to make a thorough canvass of the same, and disseminate proper political information.

DECLARATION OF PRINCIPLES.

The Conservative people of North Carolina having, by their delegates, assembled in Convention at Raleigh, on the 5th. of February, 1868, to consider the present anomalous condition of the State, and of the country, and to consult together upon the grievances which now afflict and threaten them, and the course of action proper to be adopted in the trying circumstances which surround them, do resolve and declare

1. Our unalterable devotion to the principles of Constitutional liberty and our fealty to the government of the United States, as set forth in the Federal Constitution. That we sincerely and in good faith accept the legitimate and legal results of the late war, and do hereby reiterate our oft repeated declaration, that we most heartily desire peace and concord with our sister States and with the entire people of the United States.

2. *Resolved*, That regarding the Constitution of the United States as the source of all power in the administration of the government, and that the powers of the Executive, Legislative and Judicial departments are equal and co-ordinate, as defined by that instrument, we do respectfully and solemnly protest against the enforcement upon our people of the Reconstruction Acts and policy of Congress, as unconstitutional, unwise and destructive to society, and violative of that great principle of American politics, that each State shall have the exclusive control of its own internal affairs.

3. *Resolved* That it is the opinion of this Convention, that the great and all absorbing issue, now soon to be presented to the people of the State, is negro suffrage and negro equality, if not supremacy, and whether hereafter in North Carolina and the South, the white man is to be placed politically, and, as a consequence, socially, upon a footing of equality with the negro, and, in many localities, subject to his government as a superior. That we are utterly opposed to such change in our government and in our social relations, and that we do hereby earnestly recommend to the people of the State to manfully meet the issue now attempted to be forced upon them, and to use every proper means within their power to avert the impending mischief.

4. *Resolved*, That while we are unalterably opposed to political and social equality with the black race, we yet have no unjust prejudices against that race; that we are determined, by just laws, to protect them fully in all their civil rights, and to confer upon them all privileges which can be done consistently with the safety and welfare of both races.

5. *Resolved*, That the distracted and impoverished condition of our people earnestly demands the speediest and wisest measures of relief that the Legislature can devise.

6. *Resolved*, That this Convention recognizes, with feelings of gratitude, the heroic and patriotic efforts of the President of the United States, to restore the Union and harmony and good will among the American people.

7. *Resolved*, That this Convention regards the Supreme Court of the United States as the legitimate expounder, in the last resort, of the Constitution—and believe that its rights and powers, in that respect, should be preserved intact, as established by law in the earlier and better days of the Republic, and that any serious impairment thereof, by legislation or otherwise, will be destructive to the best interests of the country, and dangerous to the liberties of the people.

8. *Resolved*, That despairing of any restoration of the Southern States under the conduct of that organization which now controls the proceedings of Congress, waiving all former party feeling and prejudice, this Convention does most unhesitatingly recommend and invite the hearty co-operation of all the good people of North Carolina with the Democrats and Conservative men of the North and West, who are now nobly struggling for the maintenance of the Constitution of the United States and the restoration of the Southern States to their rights in the Union on the solid foundation of harmony and peace.

9. *Resolved*, That this Convention elect four delegates and four alternates, for the State at large, to represent the Conservative people of North Carolina in the next Democratic National Convention, and that it recommend to the Conservative people of the several Congressional Districts, to appoint delegates at an early day to represent them in said Convention.

10. *Resolved*, That when an election shall be ordered for the ratification of a new State Constitution, the Executive Committee for the State, which has been appointed by this Convention, be instructed, if the time shall be sufficient, to call a Convention of the Conservative people of the State, to put in nomination candidates for the various State offices whose election shall then be ordered; and if there shall not be sufficient time to call said Convention, to put in nomination sound Conservative men for said offices.

NEW ARRANGEMENT

FOR THE

SENTINEL.

Published in the City of Raleigh, N. C.,
Daily, Semi Weekly and Weekly.

William E. Pell, }
Seaton Gales, } Editors.

In view of the scarcity of money, and the severity of the times, the Proprietor of the SENTINEL has determined to reduce the terms of the paper, to commence after the 31st. DECEMBER, next, and to make such improvements in its general character as will commend it to the patronage of an enlightened public.

In POLITICS it will be thoroughly Conservative, advocating, at all times;

A strict observance of the Constitution of the United States, and the harmonious Union of equal States;

Obedience to law and the enforcement of order;

The supremacy of the civil over the military, in time of peace;

The equality of the three co-ordinate branches of the government;

The sovereignty of the States over their own internal affairs, in strict conformity to the Constitution;

The maintenance of freedom and justice to all, without distinction of color, but the supremacy of the white race as the governing class;

Opposition to Radicalism in all its phases.

As a NEWS journal, it shall be equal to any.

The principal markets will be regularly published.

Its LITERARY character shall be maintained and improved, by contributions from our best writers.

Finally, the SENTINEL will seek to be the zealous promoter of the educational, moral and economical interests of the people of North Carolina.

All subscriptions strictly cash in advance.

As an advertising medium, the SENTINEL is equal to any in the State. Terms moderate.

☞ We ask every Conservative in the State to become our Agent to extend the circulation of the SENTINEL. The events of 1868 will be exciting and important. The WEEKLY SENTINEL should be in the hands of the great body of the people—The terms are now so low that every one will be able to pay for it.
